WELCOME! Please, use the field roads (bold lines) and park away from the entrance while you look for your tree.

After cut, lay your tree on your vehicle and bring it to the shelter for free shaking (keeps your carpet clean) and baling (easier to transport and set up). You will be given a slip to take in to the *Artisan Gallery* where you pay, and may enjoy complimentary cider, cocoa and Christmas sausage served mid-day on weekends.

If you need help cutting your tree, getting it to or tying it on your car, ask anyone with an orange vest. Enjoy and share the magic of our farm. Consider your visit a mini-vacation!

Pines: Scotch, White, or Norway (long & medium needles)	**$75**
